Dear Sir/Madam,

**Application for Internship**

Referring to the above matter, my name is Muhammad Aminuddin bin Mohd Yusop, a student of International Islamic University Malaysia (IIUM). Currently, I am pursuing my study in Bachelor of Engineering in Electronics - Computer & Information program and currently in my 4<sup>th</sup> year. In this upcoming July 2021, I am required to go for an internship in order to complete the IIUM curricular structure. Hence, I am writing to see if you are currently open for internship.

I have knowledge of several programming languages which are Python and C++. I have experience on using Python and C++ for almost three years. As for HTML and CSS, you can view my [portfolio](#) and evaluate my skill through it. I am currently working on my final year project related to machine learning. I am confident that your company will benefit from my experience.

I am passionate and highly interested to be a part of an organization where I can fully utilize my skills and make a significant contribution to the success of the employer and at the same time, my individual growth. It is also to gather knowledge as much as possible in the engineering field for my future preparation.

Attached with this email is my 1-page resume together with the necessary documents for your kind perusal. Should you inquire any more details, please feel free to contact me at +60169741413 or my email aminyusop98@gmail.com.

Thank you for your consideration and time. I am looking forward to learning more details about the position and company.

Sincerely,

Muhammad Aminuddin bin Mohd Yusop
